

MOTION CONTROL PRODUCT RETURN POLICY

Guidelines for allowed returns:

- **In all cases, if reconditioning is required, costs for returning the product to re-saleable condition will be charged.**
- **Products returned within 30 days, after sale in re-saleable condition, are credited the full value without a restocking fee.**
- **Products received 31-60 days after sale will be charged a 10% restocking fee.**
- **Products received 61-90 days after sale will be charged a 15% restocking fee.**
- **Products returned over 91 days after sale will not be exchanged or credited.**

Motion Control also offers a rental program for trial fittings up to six months. Normally a product is rented with Motion Control's signed rental agreement, and rent is applicable towards purchase by a formula. *A purchase can be converted to the rental program only if Motion Control is notified within the first 30 days after purchase, and the rental agreement is signed.*
